*Design: Servomuto*

### *Description*

The Calypso suspension collection is a stunning tribute to the Art Deco era, artfully reimagined with a soulful, exotic twist. By blending rigid geometric patterns with the spirited, vibrant colors of South American and tropical landscapes, this piece achieves a remarkably original aesthetic. The design is further elevated by its signature green silk braided cord and a refined metal ring support, creating a striking visual balance that commands attention in any high-end space.

At the heart of the lamp is a premium glass diffuser that casts an enchanting, warm glow, softening the bold textures of the decorative shades. Available in two versatile sizes, the collection is tailored for bespoke installations within a luxury furniture brand catalog. Whether used as a singular statement or grouped together, its meticulous craftsmanship—from the intricate fabric weaves to the polished metal accents—ensures it remains a centerpiece of timeless sophistication.

This collection offers exceptional flexibility for grand interiors, featuring a standard length of nearly 74"3/4 of rope with an impressive 196"7/8 of extra length available for custom height adjustments. Such adaptability makes it an ideal choice for designer furniture enthusiasts looking to illuminate high-ceiling foyers or intimate dining areas. With its rich cultural references and superior material quality, Calypso transforms light into a decorative art form that enriches the character of any home.
