

# Hat

*Design: Paola Navone & Otto Studio*

## *Description*

Essential yet full of character, the Hat floor lamp pays tribute to 1950s French design with a refined and relaxed elegance. Its sculptural silhouette introduces a distinctive presence, blending vintage inspiration with contemporary sensibility. The result is a sophisticated decorative element that reflects the appeal of premium designer lighting for curated interiors.

The rope-covered structure highlights artisanal craftsmanship, adding texture and warmth to the composition. Topped with a clean white lampshade, the lamp creates a balanced dialogue between materiality and soft illumination. This harmonious interplay positions Hat among elegant luxury lighting fixtures, where tactile details enhance both atmosphere and visual identity.

Material and light interact seamlessly, producing a welcoming glow that suits living rooms, lounges, or hospitality settings. The design balances handcrafted character with modern refinement, offering timeless versatility. With its understated yet distinctive presence, the Hat floor lamp stands out among contemporary lighting fixtures, bringing sophisticated vintage charm to refined environments.

Made in Italy.
