

Heritage LED

Design: Contardi Studio

Description

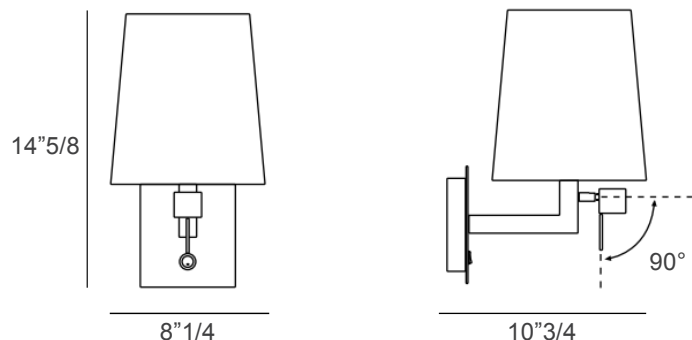

Heritage Wall embodies Contardi's "White Shirt" philosophy with a tailored design that celebrates refined simplicity and timeless sophistication. Its clean lines and balanced proportions make it a stylish decorative solution that adapts effortlessly to residential, commercial, and hospitality settings. In addition to the main light bulb, it includes a LED module designed for more precise illumination, with a 90-degree rotation that allows flexible light direction and enhanced functionality. Sold as a set of two, the Heritage Wall Lamp is ideal for creating balanced arrangements and layered lighting effects. Perfect for bedside placement, corridors, and elegant lounge areas, it enhances curated family room furniture compositions with soft illumination and timeless decorative appeal. Made in Italy.
