

## Alberta Modular Bookcase

*Design: Studio 28*

### *Description*

The contemporary Alberta Modular Bookcase by Ivano Antonello Italia is conceived as an open and flexible system that creates large, light surfaces through a modular design. Its structure allows for multiple shapes and configurations, offering versatile solutions for organizing and defining spaces within the same room or filling empty areas with a refined and discreet furnished wall.

Characterized by clean and minimal lines, the Alberta Modular Bookcase combines functionality with a sense of visual lightness, expressing a contemporary and timeless approach to living spaces while maintaining the elegance and clarity that distinguish Ivano Antonello Italia designs.
