

Aura Sideboard

Design: Sc & Partners

Description

Design is a true vocation for Ivano Antonello Italia, and the elegant Aura Sideboard expresses this through a light, simple, and rigorous form. Its identity is defined by a precise character, shaped by a combination of research, innovation in materials, and production technology, resulting in a contemporary piece with a clear design language. The unique Aura Sideboard comes with a structure in wood or lacquered wood, with doors and drawers in wood or lacquered wood featuring decorative details. The interior includes transparent crystal shelves, all supported by a steel base
