

Odeon TV Stand

Design: Studio 28

Description

The contemporary Odeon TV Stand is designed with a 360° swivel TV system, combining a wooden or lacquered wood structure with a crystal TV panel and a solid steel base. Its well-balanced proportions and refined materials create a harmonious and functional design. The unique Odeon TV Stand is a proposal with a strong personality, where originality and elegance come together to make the TV stand the true protagonist of the living environment, enhancing both aesthetics and practicality in contemporary interiors.
