

## Olimpia Sideboard

*Design: Studio 28*

### *Description*

The contemporary Olimpia Sideboard comes with a lacquered wood structure, equipped with two doors and three drawers in wood or lacquered wood, enriched by wood details. The interior includes two shelves. The unique Olimpia Sideboard is defined by a sense of value and elegance, expressed through refined details and an unconventional design. It represents a balance between modernity and tradition, where the advantages of technology are combined with the expertise of manual craftsmanship, resulting in a distinctive contemporary piece.
