

## A-Book

*Design: Fabio Di Bartolomei*

### *Description*

The A-Book is a luxury freestanding bookshelf characterized by its all-solid-wood construction. The design features a series of vertical A-shaped trestle supports that hold horizontal shelving units in place using high-precision joinery. The unit is designed for bifacial use, functioning as either a wall-mounted display or a central room divider.

### *Dimensions*

**Size:** 94"1/2W x 16"1/2D x 85"3/8H

### *Finishes and materials*

**Structure & Shelves:** Solid wood.
