

25-1042 Sofa

By Bellotti Ezio

Description

The Traditional 25-1042 Sofa is a fully upholstered three-seater that embodies a sophisticated approach to comfort and classic design, inspired by a Louis XV–style. Generously proportioned and designed to create a welcoming atmosphere, it combines soft upholstery with refined decorative details that enhance its elegant character. The sofa is enriched with decorative fringe that accentuates its silhouette and adds texture to the design. Decorative bows adorned with pearl applications and ornamental elements further highlight its craftsmanship, contributing to its distinctive and luxurious appearance. The combination of upholstery, decorative trimmings, and carefully crafted embellishments creates a piece that balances comfort with timeless elegance, making it a refined addition to a traditional living space. Made in Italy.
