

25-1050 Dining Table

By Bellotti Ezio

Description

The Traditional 25-1050 Dining Table shown in the picture features the LAN1 finish. This elegant Dining Table combines refined craftsmanship with luxurious materials and intricate decorative detailing. The structure is finished in LAN1 black lacquered tempera brush with aged gold accents, highlighting the elegance of the table and enhancing its classic character. The tabletop features a sophisticated composition of ebony, eucalyptus, and canaletto walnut backgrounds, creating a rich contrast of tones and natural textures. The design is further enriched with fine birch stringing and delicate mother-of-pearl leaf inlays, adding depth and decorative refinement. The shaded inlay work incorporates white birch, aquamarine, and canaletto walnut veneers, emphasizing the artisanal quality and complexity of the craftsmanship. The combination of noble wood veneers, intricate inlays, and elegant finishes creates a dining table with a timeless and luxurious aesthetic. Made in Italy.
