

4973 Coffee Table

By Bellotti Ezio

Description

The Traditional 4973 Coffee Table is distinguished by its finely carved wooden structure, showcasing the craftsmanship and decorative detailing characteristic of traditional furniture design. The 4973 Coffee Table shown in pictures is finished in OCH patinated gold leaf with a delicate white meringue tone, the table exudes elegance while highlighting the richness of its carved elements. The tabletop is crafted in Antigua marble, adding a luxurious natural surface that complements the refined finish of the base. The combination of intricate carving, noble materials, and carefully executed finishes creates a harmonious balance between decorative sophistication and timeless style. Designed as a focal point within a living area, the Traditional 4973 Coffee Table brings together classic elegance and artisanal craftsmanship in a refined and distinctive piece. Made in Italy.
