Design: Stefano Conficconi

Description

The Nuvola sectional with frame embodies a vision of bright, essential, and harmonious living, where clean lines, natural materials, and refined proportions create a sophisticated atmosphere of comfort and elegance. The generous reclining backrests gently adjust to follow the body's natural movements, offering a personalized and exceptionally relaxing seating experience.

Delicate contrast piping traces the contours of the sofa, creating elegant visual accents that highlight its contemporary character. The adjustable armrests can be gently opened outward, increasing the sofa's overall width and offering enhanced comfort, flexibility, and a more relaxed lounging experience.

As part of a curated luxury furniture collection, the Nuvola sectional sofa with frame combines premium craftsmanship, modular versatility, and timeless Italian elegance. It provides versatile customization options, offering a single-color version or a two-color version that allows the inner stitching to feature a distinct finish from the outer upholstery.
