

Nuvola

Design: Stefano Conicconi

Description

The Nuvola sofa embodies a vision of bright, essential, and harmonious living, where clean lines, neutral tones, and natural materials create an atmosphere of refined tranquility. Soft and welcoming by nature, Nuvola is designed to invite relaxation through its plush backrests that gently recline, naturally following the movement of the body.

Available in two distinct interpretations, the Nuvola sofa adapts effortlessly to different stylistic visions. The version with armrests and backrest frame introduces a refined architectural element that adds rhythm and visual lightness to the composition. Both configurations embody the understated elegance and premium comfort that define a curated luxury furniture collection.

It provides versatile customization options, offering a single-color version or a two-color version that allows the inner stitching to feature a distinct finish from the outer upholstery. Made in Italy.
