

## Cru Onyx

*Design: Authentic Design*

### *Description*

The Cru Onyx is a luxury freestanding wine storage and display cabinet featuring a solid wood and plywood structural frame with integrated stone masonry. The internal wine layout is fully configurable, utilizing either a custom wooden matrix grid or diagonal iron bottle dividers. The central sommelier station features an integrated timber serving shelf and multiple service drawers built with traditional visible dovetail joints and mechanical push-pull opening runners. Made in Italy.
