

Reverse

Design: Ernesto Barbieri & Massimo Mottin

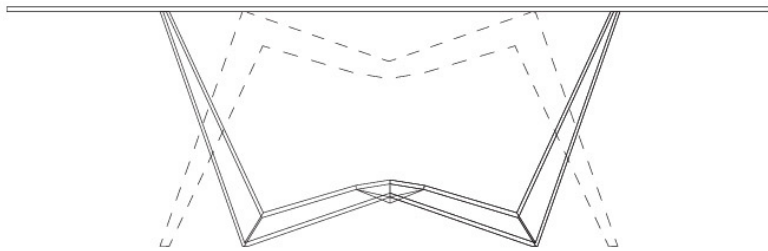

Description

Designed by Massimo Mottin and Ernesto Barbieri, the Reverse table combines contemporary Italian design with exceptional versatility. This fixed dining table features a sculptural painted steel base paired with a wide selection of premium top finishes, including tempered glass, Travertino, porcelain stoneware, marble and a sophisticated beveled extra-clear crystal top with decorative artistic print available in two refined color schemes. Defined by clean architectural lines and refined materials, Reverse is designed to complement modern dining rooms and contemporary luxury interiors. Available in different shapes and configurations, the table adapts effortlessly to a variety of spaces while maintaining a strong visual presence. Selected sizes also offer a reversible base option when paired with Travertino, glass, or porcelain stoneware tops, adding further flexibility to its design. Reverse is the perfect balance of craftsmanship, durability, and timeless Italian elegance. Made in Italy.

Reversible table option only for sizes A and B. Hammered glass, artistic glass and marble tops are not available with reversible base.
