

1190 Sideboard

By Bellotti Ezio

Description

The Traditional 1190 Sideboard is a distinguished furnishing piece that reflects the perfect balance of fine materials, decorative artistry, and timeless craftsmanship. Designed with elegant proportions and generous storage capacity, it combines functionality with sophisticated aesthetic appeal. The structure, three drawers, and two lateral doors are finished in matt grey lacquer, creating a refined and harmonious base that enhances the overall design. The three central doors are enriched with intricate inlays in mother-of-pearl, blue-tinted erable, and canaletto walnut, showcasing exceptional craftsmanship and creating a striking interplay of textures, tones, and decorative detail. The top is crafted in Canaletto walnut tinted grey and further refined by a file in blue-tinted erable and walnut, adding subtle contrast and visual richness. Made in Italy.
