

## 1370 Sideboard

*By Bellotti Ezio*

### *Description*

The Traditional 1370 Sideboard is a sophisticated expression of traditional craftsmanship and decorative marquetry. Its four-door structure features carefully executed inlays in canaletto walnut, erable, ebony, and maple, creating an elegant composition that showcases the beauty and contrast of natural wood essences.

The decorative profiles are enhanced with bronzed varnish, adding depth and refinement to the design while emphasizing the intricate inlay work. Flanking the cabinet are finely carved columns finished in polished canaletto walnut tonality, further enriched with bronzed varnish and lacquered brushed mandarin details. These decorative elements contribute to the sideboard's distinguished character and highlight the quality of its craftsmanship. Made in Italy.
