

2025-1000 Sofa

By Bellotti Ezio

Description

The Traditional 25-1000 Sofa is distinguished by its finely carved base, showcasing the attention to detail and artisanal craftsmanship characteristic of the Traditional collection. The structure is finished in lacquered brushed French tempera brown, enriched with gold leaf accents that highlight the elegance of the carved elements and add depth to the design. The backrest and armrests are upholstered and covered in fabric, providing a comfortable seating experience while contributing to the sofa's sophisticated appearance. Through its carefully crafted details and luxurious materials, the Traditional 25-1000 Sofa brings timeless style and refined character to classic living interiors. Made in Italy.
