

25-1020 Double Bed

By Bellotti Ezio

Description

The Traditional 25-1020 Double Bed is a refined expression of classic elegance, designed to bring comfort, sophistication, and timeless decorative appeal to luxurious bedroom interiors. Defined by graceful proportions and exquisite craftsmanship, this bed stands out as a distinguished centerpiece. The headboard features an elegant carved crest paired with a capitonné upholstery, creating a sophisticated balance between sculptural detailing and soft comfort. The capitonné workmanship enhances the luxurious character of the piece, adding depth, texture, and refined decorative richness to the design. The bed frame is fully upholstered, providing visual continuity and a soft, elegant presence that complements the refined headboard. Carved wooden feet further enrich the structure, showcasing artisanal craftsmanship and graceful detailing. Made in Italy.
