

25-1026 Chaise Lounge

By Bellotti Ezio

Description

The Traditional 25-1026 Chaise Lounge is a refined statement piece that blends comfort, elegance, and decorative craftsmanship. Fully upholstered in fabric, it offers a welcoming and luxurious seating experience while showcasing the graceful lines and sophisticated proportions characteristic of the Traditional collection. Its distinctive silhouette is enhanced by a decorative fringe that surrounds the base, adding texture, movement, and an additional layer of visual richness. This carefully selected detail emphasizes the artisanal character of the piece while reinforcing its classic and timeless appeal. Designed as a place for relaxation and comfort, the chaise lounge serves as an elegant accent for bedrooms, dressing areas, living rooms, and hospitality interiors. Decorative cushion NOT included.
