

25-1060 Double Bed

By Bellotti Ezio

Description

The Traditional 25-1060 Double Bed is a refined expression of comfort and contemporary classic elegance, designed to elevate luxurious bedroom interiors with its sophisticated materials and graceful silhouette. Defined by soft contours and exceptional craftsmanship, this bed offers a perfect balance between visual refinement and everyday comfort. The bed is fully upholstered, creating a seamless and elegant appearance that enhances its welcoming character. Its shaped headboard, covered in fabric, introduces a graceful sculptural profile that adds softness and decorative sophistication to the design. The refined curves of the headboard create a harmonious visual flow, making the piece both distinctive and timeless. Made in Italy.
