

3710 Double Bed

By Bellotti Ezio

Description

The Traditional 3710 Double Bed is a refined expression of classic luxury, designed to bring elegance, comfort, and decorative sophistication to prestigious bedroom interiors. Defined by graceful proportions and exceptional craftsmanship, this bed embodies timeless style and artisanal quality. The headboard features an intricately carved structure with a central upholstered fabric panel, creating a refined combination of decorative woodwork and soft textile comfort. The SG Silver Gold leaf finish enriches the carved detailing, enhancing the sculptural beauty of the frame and giving the headboard a luminous, sophisticated presence. The sommier is fully covered in fabric, providing visual continuity and a soft, elegant foundation that perfectly complements the headboard. Made in Italy.
