

4011 Sofa

By Bellotti Ezio

Description

The Traditional 4011 Sofa is a refined expression of comfort and timeless design, distinguished by its fully upholstered structure and elegant three-seater proportions. Designed with soft, enveloping curves and a harmonious silhouette, the sofa offers a welcoming and sophisticated presence within refined interior settings. Its completely upholstered design enhances both comfort and visual continuity, creating smooth, uninterrupted lines that emphasize the graceful shape of the piece. The generous seating provides a comfortable experience while maintaining an elegant and balanced aesthetic. The combination of refined proportions, soft contours, and luxurious upholstery gives the Traditional 4011 Sofa a distinctive character that blends classic sophistication with contemporary comfort. Made in Italy.
