

4713 Sofa

By Bellotti Ezio

Description

The Traditional 4713 Sofa is a refined expression of classic furniture design, distinguished by its elegantly carved wooden structure and luxurious upholstered finish. Designed as a generous three-seater, it combines comfort, decorative artistry, and timeless sophistication. The carved frame is finished in lacquered and brushed Green Lotus French tempera, a finish that enhances the character of the piece while highlighting the beauty of its sculpted details. Silver Gold accents enrich the structure, emphasizing the decorative carvings and adding depth and refinement throughout the design (For the one shown in pictures). The upholstered surfaces provide comfort while complementing the elegant lines of the frame. Made in Italy.
