

Tyron Marble

Design: Cattelan Italia

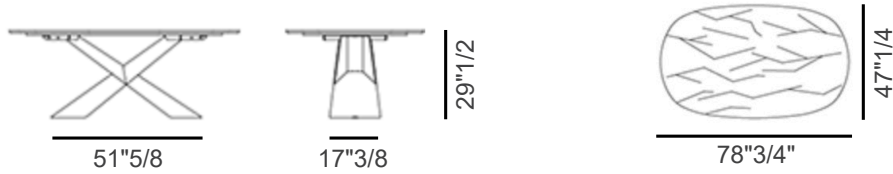

Description

Tyron Marble is a luxury marble dining table that showcases exceptional Italian craftsmanship and contemporary design. Defined by its bold architectural base and premium natural stone top, this statement piece brings sophistication and timeless elegance to modern dining rooms.

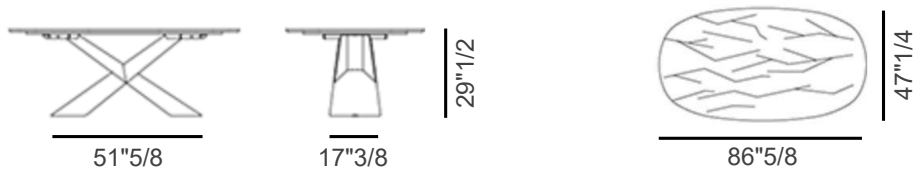

The sculptural steel base is available in titanium, bronze, graphite, black embossed lacquered finishes, as well as hand-brushed bronze and brushed grey options. These refined finishes enhance the table's distinctive character while complementing a wide range of interior styles, from modern and minimalist to upscale contemporary spaces. The natural marble top is offered in exclusive Lepanto, Avocatus, and Onda Grigia marble, each featuring unique veining patterns and rich natural textures that make every table one of a kind. The combination of premium materials, artisanal finishes, and architectural design creates a striking focal point for luxury homes and high-end hospitality environments. Designed for those who appreciate fine materials and sophisticated aesthetics, Tyron Marble delivers a perfect balance of durability, functionality, and contemporary elegance. Made in Italy.
