

Cuff

Design: Bernhardt & Vella

Description

Tailored elegance takes center stage in Cuff, where meticulous craftsmanship transforms a distinctive detail into a true design signature. Refined and sophisticated, every element has been carefully conceived to create a harmonious balance between aesthetics and comfort. Its understated character and impeccable proportions reflect the essence of a contemporary luxury furniture collection, designed for interiors that value both style and substance.

Enveloping and welcoming, Cuff combines soft volumes with a clean, essential silhouette. Its minimal-chic design expresses a sense of effortless sophistication, allowing the beauty of its forms and finely crafted details to stand out with quiet confidence. The result is a piece that feels both modern and timeless, embodying the excellence associated with premium designer furniture.

Versatile and elegant, Cuff integrates naturally into a variety of living spaces, from intimate settings to sophisticated living room furniture sets. Its combination of comfort, refined tailoring, and contemporary simplicity creates a lasting impression, bringing warmth, character, and enduring luxury to the home. Made in Italy.
