

Loden

Design: Cierre lab

Description

Loden Bed embodies comfort with informal elegance, bringing together embracing forms, fine materials, and exceptional craftsmanship in a perfect balance between aesthetics and functionality. Defined by generous volumes and enveloping shapes, the bed offers a deeply comfortable experience while maintaining a refined architectural presence. Available with either a wide or narrow headboard, Loden can be tailored to suit different spaces and design preferences. A true oasis of relaxation, Loden is designed to adapt seamlessly to a variety of bedroom styles, creating environments that feel harmonious, inviting, and uniquely personal. Available with either a single slat system or two separate slats, the version with separate slats includes a metal support structure for enhanced stability and performance. Mattress not included. Made in Italy.
