

## Loden

*Design: Cierre lab*

### *Description*

The Loden Bed with footboard embodies comfort with informal elegance, combining embracing forms, fine materials, and sophisticated craftsmanship in a perfect balance between aesthetics and functionality. Designed with versatility in mind, Loden is available with either a wide or narrow headboard, allowing it to adapt effortlessly to different spaces and design preferences. The addition of the upholstered footboard enhances its enveloping character, creating a cohesive and harmonious silhouette that elevates the overall sense of comfort. A true masterpiece of softness and versatility, Loden encourages a natural and spontaneous way of living through its perfect harmony of form and function. Available with either a single slat system or two separate slats, the version with separate slats includes a metal support structure for enhanced stability and performance. Mattress not included. Made in Italy.
