

## Nest

*Design: Bernhardt & Vella*

### *Description*

Refined and contemporary, the Nest Bed becomes the natural centerpiece of the bedroom, combining modern aesthetics with emotional design in every detail. Its elegant presence is defined by harmonious proportions, generous volumes, and a sophisticated balance between comfort and visual lightness. Designed to redefine the art of sleeping, the bed features an upholstered headboard enriched with enveloping leather elements that create a warm, cocooning effect. The structure skillfully plays with thicknesses and volumes, establishing a refined dialogue between form and proportion that enhances its architectural character. Further elevating its distinctive identity, the footboard is enhanced with a curved metal bar upholstered in leather and finished with a special lacquered raw-cut treatment. Nest is available with either a single slat or two separate slats, the version with separate slats includes a metal support structure for enhanced stability and performance. Mattress not included. Made in Italy.
