

Deck

Design: Daniele Lo Scalzo Moscheri

Description

Inspired by the elegance of classic nautical design, the Deck sectional sofa reinterprets maritime tradition through a contemporary lens. Its sculpted silhouette, dynamic diagonal lines, and generous proportions create a refined balance of comfort and architectural presence. Soft, inviting cushions are framed by distinctive slanted armrests, while selected configurations feature elegant wooden tops that add both functionality and sophistication. Available in a variety of modular compositions, Deck offers exceptional versatility for contemporary living spaces. Made in Italy.

Technical information

Upholstery: Fabric or leather. In this model the fabrics are used with the grain in the vertical direction (railroaded).

Structure: Load-bearing solid fir wood. Structural elements in E1-class plywood panels and oriented strand board, infill panels in hardboard. Tops in veneered E1-class MDF panels.

Springing: The back is made of hardboard panels. Seat in mechanically pre-tensioned elastic polypropylene fibre and latex webbing.
