

Nube

Design: Dainelli Studio

Description

Soft, enveloping, and effortlessly elegant, the Nube sectional sofa is inspired by the lightness and fluidity of a cloud. Its modular elements can be combined in a variety of configurations, creating a dynamic seating system that adapts beautifully to contemporary living spaces. An innovative concealed fastening system supports the structure while defining its generous volumes, enhancing the sofa's distinctive floating appearance. Available in multiple compositions and a wide selection of premium upholstery fabrics, Nube combines exceptional comfort with modern, sculptural design. Made in Italy.

Technical information

Upholstery: Fabric. In this model the fabrics are used with the grain in the vertical direction (railroaded). Item with removable cover after disassembling the backrests.

Structure: Solid bearing fir wood. Structural elements in plywood panels in class E1 with metal reinforcement bars, faesite infill.

Springing: The back is made of hardboard panels. Seat with pretensioned crossed propylene fiber.

Feet: 1"5/8H in black. Equipped with non-slip feet, therefore it does not need joint.
