

Nereide

Design: Giorgetti R&D

GIORGETTI
Maresati EDITION

Description

Sectional supported by a solid ash platform available in natural, anthracite grey, biscuit and ash grey finish. The external legs are made of Pewter painted metal and solid ash, with finishes matching the platform. Adjustable feet. The seat is padded with multi-density polyurethane, integrated with pocket springs and completed with a layer of memory foam. To complete the armrest, a cold-foamed, rigid polyurethane shell is covered in leather, Pelle Plus, Nubuck leather or Satin leather. The padding of the cushioning is in polyurethane with an envelope of goose feathers. The seat, back and cushion upholstery is removable. Made in Italy.

NOTE

The armrest leather shell is not removable.
Elements with leather upholstery will have more stitching than fabric upholstery.
