

Barcode Sectional Sofa

By Alessandro Dubini

Description

The Modern Barcode Sectional Sofa is a refined example of contemporary outdoor design, combining natural materials with clean, essential lines. Its solid teak wood structure, made of slats in different sizes, creates a distinctive architectural rhythm that defines the sofa's modern character. Generously padded cushions with regular geometric shapes rest on the wooden frame, forming the seat and backrest while providing excellent comfort. The balance between the warm teak and the soft upholstery creates an elegant contrast between structure and softness. Designed with flexibility in mind, the modular Barcode system offers extensive customization options, allowing multiple configurations to suit different layouts and lifestyles. Made in Italy.
