

Gibson

Design: Cattelan Italia

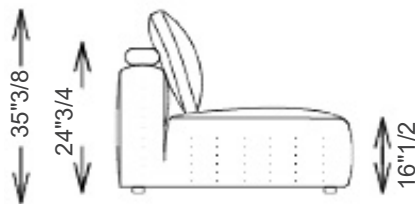

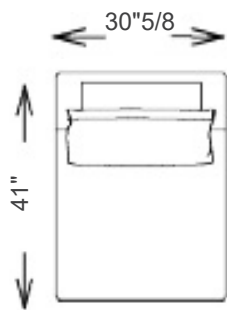

Description

The Gibson Chaise Lounge is a modular seating element designed to create fully customized sectional sofas. Available in five sizes, each module can be combined with other Gibson components to create linear, corner, peninsula, or double-sided configurations for residential and hospitality interiors.

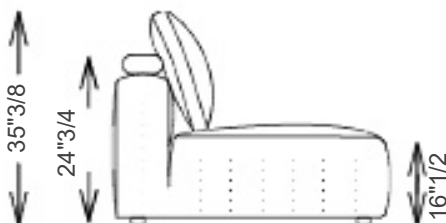

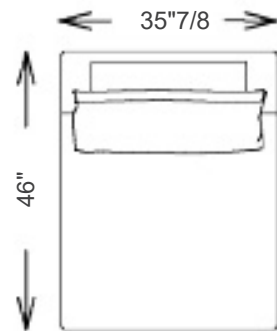

Constructed with a pine plywood and engineered wood frame, each chaise features elastic webbing suspension and multi-density polyurethane foam cushioning for exceptional comfort and long-lasting support. Plush back cushions are filled with a blend of natural feathers and siliconized polyester fiber, while removable fabric upholstery allows for easy maintenance. Made in Italy.
