

Gibson

Design: Cattelan Italia

Description

The Gibson Sectional is a modular seating collection designed to create fully customized living environments. Individual seating, chaise lounge, corner, and terminal modules can be combined to form linear sofas, L-shaped sectionals, peninsula arrangements, or double-sided compositions in a variety of sizes.

Each module is constructed with a pine plywood and engineered wood frame, elastic webbing suspension, and multi-density polyurethane foam cushions for lasting support and comfort. Plush back cushions feature a blend of natural feathers and siliconized polyester fiber, while removable fabric upholstery allows for easy maintenance. Made in Italy.
