

Mediterraneo

Design: Gart Creative Lab

Description

Designed for flexible outdoor living, the Mediterraneo sectional features modular elements that can be arranged in a variety of configurations to suit any space. Its smooth, sculptural volumes create a harmonious composition, offering generous comfort and a refined contemporary aesthetic. Crafted with premium outdoor materials and exceptional attention to detail, Mediterraneo brings timeless elegance, versatility, and relaxed Mediterranean living to terraces, gardens, and sophisticated outdoor lounge areas. Made in Italy.

Technical information

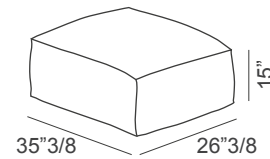

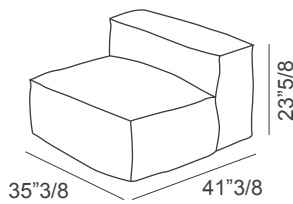

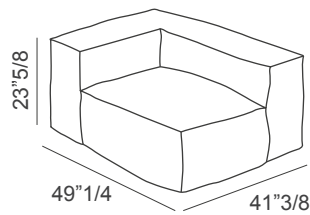

Structure: Padding in polystyrene microspheres and polyester flakes, divided into separate compartments to maintain shape and ensure consistent comfort over time.

Cover: Non-removable, crafted from high-performance outdoor fabric that resists UV rays, water and abrasion, making it ideal for outdoor living.

Mediterraneo
