

Mediterraneo Up

Design: Gart Creative Lab

Description

Elevated on refined feet, the Mediterraneo Up sectional combines a lighter architectural presence with the collection's signature comfort. Its raised profile enhances visual openness, while generous proportions and clean, contemporary lines create an inviting space for outdoor relaxation. Available in a variety of configurations, Mediterraneo Up offers exceptional flexibility, premium outdoor materials, and expert craftsmanship, making it an elegant choice for sophisticated terraces, gardens, and poolside living. Made in Italy.

Technical information

Seat and back structure: Made of lightweight, durable Okoumé wood, ideal for outdoor settings, with a frame featuring elastic webbing designed for the outdoors.

Feet: Stainless steel.

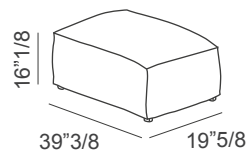

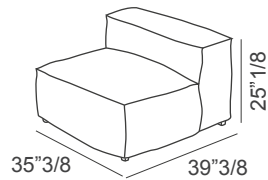

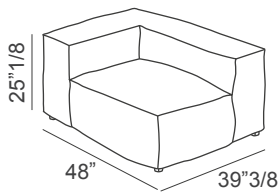

Padding: Polystyrene microspheres and polyester flakes held in separate compartments, enclosed in a draining liner that promotes quick drying.

Cover: Removable, crafted from high-performance outdoor fabric that resists UV rays, water and abrasion, making it ideal for outdoor living.
