

Positano

Design: Gart Creative Lab

Description

Defined by generous, flowing lines, the Positano sectional offers exceptional flexibility and contemporary outdoor comfort. Its independently weighted, freely movable backrests can be positioned to suit your preferred seating experience, while the removable decorative fabric overlay for the seat and backrest enhances its relaxed Mediterranean character. Inspired by the soft forms of Mediterranean architecture, Positano combines sculptural elegance, premium outdoor materials, and refined craftsmanship to bring timeless style and effortless comfort to terraces, gardens, and outdoor living spaces. Made in Italy.

Technical information

Seat structure: Made of lightweight, durable Okoumé wood, ideal for outdoor settings, with a frame featuring elastic webbing designed for the outdoors.

Backrest: Independent and not fixed to the frame, freely movable, with an internal weight system that ensures perfect stability.

Feet: Stainless steel.

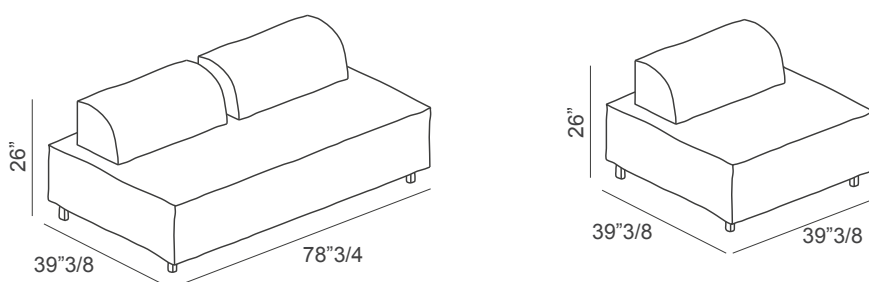

Padding: Open-cell polyurethane foam specifically for outdoor use, ergonomic and resistant to sun, rain and humidity, with shape retention over time.

Cover / Removable decorative fabric overlay: Removable, crafted from high-performance outdoor fabric that resists UV rays, water and abrasion, making it ideal for outdoor living.
