

Positano

Design: Gart Creative Lab

Description

Created for flexible outdoor living, the Puffone modular sofa brings together softly rounded forms and generous comfort in a versatile seating system. Its modular design creates inviting spaces that encourage relaxation, conversation, and effortless outdoor enjoyment. Crafted with premium outdoor materials and refined attention to detail, Puffone combines contemporary design, lasting durability, and timeless elegance for sophisticated terraces, gardens, and lounge areas. Made in Italy.

Technical information

Structure: Padding in polystyrene microspheres and polyester flakes, divided into separate compartments to maintain shape and ensure consistent comfort over time.

Cover: Non-removable, crafted from high-performance outdoor fabric that resists UV rays, water and abrasion, making it ideal for outdoor living.
