

Onfa

Design: Goula Figuera

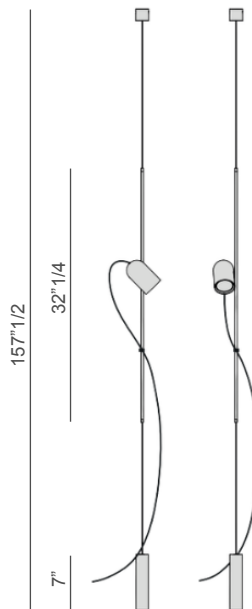

Description

Suspended with remarkable lightness, this pendant lamp explores the relationship between balance, movement, and precision. Its slender vertical cable supports a compact cylindrical lamp head that appears to float effortlessly in space, creating a sculptural composition defined by clean lines and restrained elegance. The thoughtful interplay of geometry and proportion transforms a functional light source into a refined architectural feature that embodies the essence of contemporary furniture design.

Light Source: LED GU10 - 1x7.5W - 600 lm - CRI (>80) - 2700K - IP20

Dimensions
