

Wooden Dots – Multi-Piece

Design: Goula Figuera

Description

Elevate your interior design with this captivating suspension lamp, a masterpiece where artistic geometry meets modern sophistication. Featuring an openwork metallic silhouette highlighted by warm wooden accents and refined circular details, this light effortlessly transforms ambient illumination into a compelling visual experience.

As one of the most distinctive designer lighting options for contemporary spaces, its floating architectural structure acts as a kinetic-inspired work of art. The downlight creates a focused, cozy glow while the delicate lines capture light and shadow, seamlessly integrating with high-end living room furniture or modern dining environments.

Light Source: LED GU10 - 1x7.5W - 600 lm - CRI (>80) - 2700K - IP20
