

Wooden Dots - Single-Piece

Design: Goula Figuera

Description

This suspension lamp combines sculptural geometry with refined craftsmanship, creating a distinctive lighting piece that brings an artistic presence to contemporary interiors. Its intricate framework of clean lines and rounded forms makes a balanced composition, while the integrated lighting element adds a functional touch to its expressive design.

Created to serve as both a source of illumination and a decorative focal point, the lamp introduces depth and visual interest to the space without overwhelming its surroundings. Its carefully considered proportions and architectural silhouette make it well suited for dining areas, living rooms, entryways, and other spaces where statement lighting can enhance the overall atmosphere.

Light Source: LED GU10 - 1x7.5W - 600 lm - CRI (>80) - 2700K - IP20
