### *Description*

Evoking the soft, inviting lines of luxury indoor seating, the Elton Sectional transcends outdoor boundaries through exceptional modular versatility. Perfect for cliffside villa loggias, expansive sun decks, and high-end residential verandas, it redefines open-air relaxation. Tailored for a custom-comfort, sophisticated luxury lifestyle, it introduces a groundbreaking internal mechanism within the backrests and armrests, allowing full customization of seating inclination to meet individual ergonomic preferences. Made in Italy
