

Ocean

Description

Defined by solid, sculptural volumes and architectural presence, the Ocean Modular Sofa offers ultimate freedom to tailor open-air spaces around your lifestyle. Perfect for ocean-view sun decks, expansive villa terraces, and vibrant poolside lounges, its generous block cushions form a striking centerpiece. Designed for an expressive, custom-tailored luxury lifestyle, the collection allows you to mix bold fabrics and rich color palettes across individual modules, creating dynamic plays of tone and nuance while providing deep, weather-proof comfort. Made in Italy
