

Thea

Description

Echoing the warm, functional minimalism of Scandinavian design, the Thea Modular Sofa brings effortless versatility to open-air settings. Perfect for coastal villa verandas, shaded patio loggias, and modern garden sun decks, its modular footprint easily adapts to spaces of any proportion. Championing a refined, Scandinavian-inspired outdoor luxury lifestyle, its architectural framework is crafted entirely from solid teak, cradling deep, weather-resistant cushions that invite personalization and quiet relaxation.. Made in Italy

Finishes and materials
