

118 Stem Floor

Description

Standing as a vertical expression of craft and modern structure, this floor lamp anchors hand-blown glass spheres along a slender metallic column. Each orb encloses a delicate, feather-like formation in opal glass, casting a soft, warm radiance that highlights the lamp's organic interior depth. Fixed upon a weighted circular base, the clean metallic stem creates a striking sculptural presence.

Specifications

Lamp: 1W LED - 100 lm - 2500K/2700K/3000K.

Materials: Blown glass, brass stem, electrical components.

Power Supply: Integral, dial control with build-in dimmer

Environment: Indoor, dry location. IP20.
