

141 (Large)

Description

Suspended by fine, subtle wires and flexible cables, this sculpted collection of illuminated glass discs forms a mesmerizing arrangement. Each organoid glass element catches the light through translucent surfaces speckled with delicate air bubbles, folding seamlessly around a warm central glow. The fluid arrangement of cables and organic glass shapes weaves through space, creating an immersive play of shadow, warmth, and light.

Lamps can hang from any number of optional anchor points mounted away from the canopy. Pendants anchor kit included.

Remote mounted power supplies recommended for ease of long term maintenance.

Installation to be done by certified personnel to ensure code compliance.

This fixture requires design drawings to determine the specific cable lengths. Please review the length measuring guide and send it to our Sales Department. We will provide drawings for approval, which are required before Bocci can begin production. Please contact us for any inquiries.

Specifications

Mounting: Ceiling mounted.

Lamp: 2W LED - 110-120V - 185 lm - 2500K

Materials: Poured glass, braided metal cable, electrical components, steel canopy.

Power Supply: Integral.

Bocci recommends remote mounting power supplies for ease of long-term maintenance.

Environment: Indoor, dry location. IP40.

Length Measuring Guide

Please provide the following information:

1. Provide overall height of the room.
2. Determine maximum drop. Measure from the underside of the canopy (NOT away from floor).
3. Determine L x W install dimensions.
4. Provide a sketch of the ideal distribution of pendants relative to the canopy
