

141 (Medium)

Description

Suspended by fine suspension wires and malleable sculptural cables, this cascading arrangement of translucent glass pendants forms a breathtaking visual constellation. Each illuminated element features organoid glass discs folded around a central light source to cast a warm, ambient radiance. The sweeping interplay of glass forms and organic cables transforms functional lighting into a dynamic architectural installation.

Lamps can hang from any number of optional anchor points mounted away from the canopy. Pendants anchor kit included.

Remote mounted power supplies recommended for ease of long term maintenance.
Installation to be done by certified personnel to ensure code compliance.

This fixture requires design drawings to determine the specific cable lengths. Please review the length measuring guide and send it to our Sales Department. We will provide drawings for approval, which are required before Bocci can begin production. Please contact us for any inquiries.

Specifications

Mounting: Ceiling mounted.

Lamp: 2W LED - 110-120V - 185 lm - 2500K

Sculptural Cable: 137"3/4 standard / up to 1102"3/8 max.

Materials: Poured glass, braided metal cable, electrical components, steel canopy.

Power Supply: Integral.

Bocci recommends remote mounting power supplies for ease of long-term maintenance.

Environment: Indoor, dry location. IP40.

Length Measuring Guide

Please provide the following information:

1. Provide overall height of the room.
2. Determine maximum drop. Measure from the underside of the canopy (NOT away from floor).
3. Determine L x W install dimensions.
4. Provide a sketch of the ideal distribution of pendants relative to the canopy
