

Drop Dining Table

By Cane-line

Description

The Modern Outdoor Drop Dining Table brings a fresh expression to outdoor dining with its combination of a refined tabletop and a softly shaped aluminum frame. The frame is constructed from custom-designed profiles that provide both strength and an elegant finish. Available in a variety of tabletop and frame options, as well as multiple sizes, the Drop Dining Table can be tailored to suit different outdoor spaces and dining needs. Select versions also include extension plates, offering added flexibility for both intimate meals and larger outdoor gatherings. Made in the EU.
