Description

The Modern Outdoor Mellow Oval Dining Table, designed by Cane-line Design, brings together generous scale, soft organic lines, and a sculptural presence. Its spacious tabletop features softly rounded corners and rests on a distinctive pillar base, creating a natural gathering point for both festive occasions and everyday dining. With its refined and grounded expression, the table is well suited for contemporary outdoor spaces where comfort and visual impact come together. For teak surfaces, Cane-line Teak Care products are recommended to help preserve the original golden-brown color. Made in the EU.
